

# Mystery Quilt 2018 - Advanced Beginner - Clue 5

---

## The Double 9-Patch Block

1. You will need the **80 3 ½"** **Background: Light squares** that you cut in Clue 3, combining 4 of these with 5 of the "9-patch" units to make the **Double "9-patch"** block.
2. Make **20 Double "9-patch"** blocks.
3. Press all seams towards the light un-pieced squares. The quilt top will lay flatter with much less bulk if you press a pieced seam towards an un-pieced unit. Verify blocks measure 9 ½".
